EXPERIENCE MAKES THE DIFFERENCE

Marfleet Building Contractors is a family-run business with over 40 years of experience. We are an NHBC Premium Rating A1 Builder, and cover all aspects of construction.

Over the years we have worked with many different clients, which include private, housing associations, companies and building consultants.

We are a diverse building contractor with experience in the Residential, Commercial, Education and Civil Engineering industry sectors.

A complete build solution is available to our clients from the initial groundwork through to the client handover, ensuring that the finished project is delivered on time, within budget and not only meeting but exceeding our clients expectations.

We embrace new technology and innovation, investing in fit for purpose business solutions which not only help us to manage all aspects of our business more efficiently, such as Health & Safety, Environment and Live Project Information, but also helping us to remain robust and relevant for the future.
